

Mr. KeyShawn C. McMiller, MA.Ed., LLMSW (he/him)

Mr. Keyshawn C. McMiller (he/him) is a 2x HBCU alumnus (Bethune-Cookman University & Florida A&M University), 2x graduate of The University of Michigan, published researcher, and author. Using his clinical social work and educational justice training, Keyshawn works diligently to empower underserved communities towards lifelong learning and personal development so they may walk across the bridges of opportunity into lands of new beginnings.

i See You HBCU

Author: Keyshawn McMiller-Illustrator: Bryan McMillan

While helping his parents pack for a move to their new house, Ahman wanders into a room full of sealed boxes, enticed toward one marked "HBCU." Bursting the seams with wonder, Ahman opens and begins rummaging through the box's contents. He excitedly returns to his parents, filled with more questions than answers about the contents inside...

Reviews

"...this is a great reminder of the wonderful experience you will have if you consider going to one of our countries HBCUs..."

"...I can see a youngster keeping this book and going back to it to keep that dream in their mind..."

Winnas

Written on these pages are a collection of keys to wisdom from Black men, who, although successful in their own rights, are not "global superstars" by society's definition. The author has asked these Winnas one question for your benefit: "If you could give a little Black boy one piece of advice towards a successful life, what would it be?"
