

BEFORE INSTALLATION: CHECK ALL PARTS OF PRODUCT THOROUGHLY. INSTALLATION IS ACCEPTANCE OF GOODS AND WILL VOID WARRANTY. MIRRORS ARE FRAGILE. TAKE EXTRA CARE WHILE TRANSPORTING AND HANDLING GOODS.

KAYA

Round LED Mirror with Touch Sensor & Demister

LED696

- 5mm thick pencil edge mirror with frosted glass frame
- Illuminating on/off touch sensor
- Demister function
- Low energy consumption allows the light to be left on as a night light
- Cool white colour temperature (4000K)
- Two wall mounting hooks
- 220-240V AC 50/60Hz
- IP44 rating
- SAA approved
- LED module: 17W, Demister: 16W
- Net weight: 6kg

INSTALLATION

This mirror must be installed by a licensed electrician in accordance with local regulations. Ensure mains power has been turned off before installation. Do not install within 1.2 metres of direct wet area contact (e.g. bath or open shower).

NOTE: Ø5 x 50mm screws and anchors are included. It is recommended that the mirror is installed onto a flat uniform wall, and must be screwed into studs or suitable anchors.

CLEANING

For best results, clean mirrors with a combination of 30% methylated spirits to 70% water and a soft, non-abrasive cloth designed for use on glass surfaces.

OPERATION

Touch the relevant icon to turn the LED light or demister on or off.

At Fienza we pride ourselves on supplying products of a high standard. Our warranty periods are extremely competitive and practically designed to give the end user peace of mind.

WARRANTY
1 YEAR replacement parts or product (does not include labour)

Warranty Conditions

- Installation has been carried out by a licensed electrician in accordance with local regulations.
- All maintenance and adjustments to the product after the installation have been carried out by a licensed electrician or licensed tradesperson as required.
- Product has only been cleaned in accordance with the cleaning instructions in this document.
- Proof of purchase is required for warranty claims.

Warranty Limitations

To the extent permitted under the Trade Practices Act and other relevant legislation, Fienza's liability is limited to:

- The cost of replacing the goods, or
- The cost of obtaining equivalent goods, or
- The cost of having the goods repaired.
- Fienza is not responsible for any lack of operation or performance of goods (or any loss or damage) where goods are used or adapted for a with other goods not supplied by Fienza.
- It is the responsibility of the customer and installer before installation to ensure that all components are correct and free of obvious visible faults.
- Fienza is not responsible for the labour and rectification costs incurred in the above circumstance.

Conditions for On-Site Warranty Service Calls

Fienza will charge a service fee for each visit to an installation by its technician where it is determined that the fault is due to poorly executed or unlicensed installation work, or where the product is not a genuine Fienza product or where the product is outside the warranty period. This may be paid in advance by credit card over the phone to a Fienza technician attending the site and will be refunded if the Fienza product is found to be at fault.
