cocktail recipes head to:

#### WHO IS FORGED DRINKS MELBOURNE...

*Forged is unique because the base range has been developed especially for the cocktail bar scenario. Many non-alcoholic bases lose their intensity when mixed with other beverages and most fade out in important taste profiles, like mouth-feel and the alcohol burn. Through a year of research and development Forged Drinks have come very close to original alcohol-based drink profiles when mixed as a cocktail.*

#### DESCRIPTION

FRESH AGAVE WITH HINTS OF COOKED APPLE AND LIGHT VANILLA GIVE WAY TO DRIED STONE FRUITS WITH A SMOOTH SPICED FINISH.

#### INGREDIENTS

OSMOTICALLY PURIFIED FILTERED WATER, NATURAL FLAVOURS AND NATURAL EXTRACTS, GLYCERINE, POTASSIUM SORBATE.

#### STORAGE

- ❄️ PRODUCT SHOULD BE STORED IN A COOL, DRY PLACE TO ACHIEVE FULL SHELF LIFE AND BEST PERFORMANCE. REFRIGERATE AFTER OPENING.
- ✓ VEGAN FRIENDLY
