J. HARVEST & FROST

Our mission is to bring passion and aesthetics to your workday. Harvest & Frost is built on the belief that aesthetics, quality design and precision craftsmanship play fundamental parts in our lives. In other words – we believe in order to thrive and find our passion while we work - we need to surround ourselves with things which inspire and encourage us.

WE ARE SHIRTMAKERS

We are a work shirt brand for men and women - and in order to succeed in our mission, and become “fuel for your passion”, we offer well-made, detailed and affordable work shirts of the highest quality. We aim to be that undefinable, yet powerful, intangible asset which aesthetics represents in your workday. J. Harvest & Frost was established in 2014 as a result of a collaboration between two brands – James Harvest Sportswear, rooted in U.S. college fashion with worldwide distribution and Frost, with its focus on tailored, well-cut garments in a small scale. Two excellent concepts brought together in one brand.

We started on a journey to develop our lines of high quality work shirts for men and women.

To be there with you – everyday - at the workshop, the office or at the pub – we set out to develop a collection of shirts which would meet the needs of those occasions. Quality, roughness, durability became our lodestars.

We found inspiration in early 20th century fashion, as well as books, movies, brands and classic designers. We were determined to create something unique – but still at affordable prices. We wanted to make each garment something we would've loved to wear ourselves.

NEVER DONE

Still, people's expectations and needs change, so we realize, with delight, that our pursuit for that perfect work shirt will be never-ending and we'll continue our journey and search for the best fit, materials, details, stitches and techniques.

Making these products demands a holistic view on design, and we recognize that aesthetics are more than visual beauty. We live by the rule that quality design is the sum of three inseparable variables; excellent craftsmanship, the best materials and integrity. So, while we're on our quest to give you that little bit of extra beauty in your workday – rest assured – we have got your back. Work hard – and put all your energy into your own dreams. We'll make sure you're always dressed for the occasion.

Nothing beats the clean look of a solid dress shirt. But even at a solid color there are still some features that make our shirt stand out from the crowd. The shirt is crafted in our favorite high performance twill texture. This gives the perfect sheen to it, results in a substantial good hand feeling and makes it less transparent than similar white dress shirts. A split yoke in back, medium cut-away collar and a 35 mm. raised placket set the edge for this sharp, but classic shirt.

Through the Red bow line we reinvent the classic shirt. By adding sophisticated colors and details we made it more modern and smart, but still kept it a classy business shirt. The shirt is crafted in our favorite high performance twill texture. This gives the perfect sheen to it, results in a substantial good hand feeling and makes it less transparent than similar dress shirts.
