Front-facing Built-in Gas Fireplace

Logs
Realistic charred log set to maximize the illusion of depth and the appearance of burning firewood. Combine with loose embers for a custom display.

Burners
The MatriX patented five burner gas fireplace provides the ultimate fire experience, as the flames organically wrap around the logs, while they flicker and dance. Adjust the flame intensity by turning the back burners on for added depth.

Light Module
Casts a firelight glow over the media for a truly lifelike effect.

Rear Wall Steel
Provides a solid dark interior finish.

Invisimesh
A protective layer of Invisimesh surrounds the glass barrier of the fireplace and provides a warm touchable surface safe for children and pets.

Remote Control
Uses radio frequency to control all fireplace features from the comfort of your chair.

28,000 - 42,500 BTU

Venting Compatibility
Dura Vent adapter (included)
ICC adapter TM-5AA8 (sold separately)

Product Dimensions:

Also available Electric eMatrix - FEF3226L1
