

MÖDERE®. FACT SHEET | Canada

MODERE® LOGIQ™ MCTs

Health & Wellness | Targeted Health

Product Overview

Modere Logiq™ MCTs is a delicious, keto-friendly source of medium chain triglycerides. Featuring a blend of C8 medium-chain triglycerides and grass-fed butter to bolster your body's natural energy production, Logiq MCTs delivers a smooth, velvety texture plus award-winning Liquid BioCell® collagen. It's the ideal companion to an aromatic mug of Modere Logiq™ with TetraBlend™ Coffee, at home or on the go.

Product Benefits

- Bolster your natural energy production
- Ideal source of medium-chain fatty acids
- Collagen/HA Matrix® Technology
- No added sugar
- Keto friendly, gluten-free

Product Details

Modere Logiq MCTs fuels your body to help you tackle even your most daunting to-do list with aplomb. Formulated with a blend of beneficial fatty acids and grass-fed butter, this delicious natural health product provides C8 MCTs that are more readily converted to ketones than coconut oil or other MCTs, promoting your natural energy production.

When combined with a stick pack of Modere Logiq, each scoop of Logiq MCTs provides a serving of Liquid BioCell®. Follow up with your favourite Liquid BioCell product every evening for the full joint and skin benefits of Collagen/HA Matrix® Technology.

Try Logiq MCTs in coffee, tea, smoothies, oatmeal or any beverage or food for a delicious, energizing boost.

Directions/Usage

Recommended Dose (adults): 1 scoop 1 time per day. Stir in one (1) scoop to any beverage or food, using the scoop provided with the product. When adding to a beverage, add to cup, then gradually stir in cold or hot beverage until all powder is evenly dissolved. For best results use a whisk, frother or hand blender.

Key Ingredients

- C8 MCTs (medium-chain triglycerides)
- Grass-fed butter
- Liquid BioCell®

Medicinal Ingredients (per scoop): Medium chain triglycerides (*Elaeis guineensis/Cocos nucifera*) 3060 mg, Milk protein concentrate (*Bos taurus* milk; 75% protein) 2432 mg, Liquid BioCell®: *Gallus gallus* (chicken) (Hydrolyzed Collagen Type II 60%, Chondroitin Sulfate 20%, Hyaluronic acid 10%) 250 mg.

Non-medicinal Ingredients: Nonfat dry milk, disodium phosphate, silicon dioxide, flavour, rebaudioside A, butter powder (whole milk, sodium chloride).
