## TRIM COCONUT LIME

Health & Wellness | Slim

### Product Description

Trim is the only product that features an innovative, first-in-the-world combination of two leading technologies for a body transformation experience—conjugated linoleic acid (CLA) and Collagen/HA Matrix® Technology. This potent blend is designed to boost your fat loss efforts and bring your ideal shape within reach.

### Product Benefits

- May help support a modest reduction in fat mass
- May help to support a modest improvement to body composition
- Formulated with scientifically studied CLA and multi-patented, award-winning Collagen/HA Matrix® Technology
- Sugar-free
- Gluten-free
- Dairy-free

### Positioning Statement

Featuring an innovative combination of scientifically studied technologies, Trim works to accelerate fat reduction.

Trim features plant-derived CLA, which has been clinically shown to help to support a modest reduction in fat mass when used with a program of reduced intake of dietary calories and increased physical activity. This reduction in fat mass means you'll experience a modest improvement to body composition, for a slimmer, leaner body.

Trim also includes multi-patented, award-winning Collagen/HA Matrix® Technology. This clinically tested technology provides collagen and HA (hyaluronic acid) in a highly absorbable form for easy uptake and use by your body.

Together in Trim, scientifically studied CLA and Collagen/HA Matrix Technology deliver a full body transformation experience, supporting your fat loss efforts and bringing your ideal shape within reach.

### Recommended Dose (adults):

Take one (1) tablespoon (15 mL) daily. SHAKE WELL BEFORE EACH USE.

### Key Ingredients

- Conjugated linoleic acid (CLA)
- Liquid BioCell®

#### Medicinal Ingredients: Each tablespoon (15 mL) contains:

Conjugated Linoleic Acid (CLA) .....	3.4 g
Liquid BioCell®	
Gallus gallus (chicken) (Hydrolyzed Collagen	
Type II 60%, Chondroitin Sulfate 20%,
