# November's classroom resources

As we enter the month of November, Fair Winds Teaching is here to support you with a range of classroom resources that will keep your students organized, engaged, and motivated. This is the time of year when we focus on maintaining tidy classrooms and reinforcing classroom rules. Our carefully curated November Resources are designed to empower your students with improved reading comprehension, transform your math class into an interactive Shipping Warehouse, and implement effective classroom management strategies.

Here are the recommended resources for November:

## Close Reading Toolkit (Growing Resource)

*Use this close reading toolkit symbol guide with students to code their text/book while reading! You can also have them use these coding a text sheets during reading group to allow them to write what is important in the text!*

## Shipping Warehouse - Classroom Transformation (2.NBT.A&B) Place Value/Addition

*Transform your math class into a shipping warehouse! Everything you need for a multiplying 2 digit by 2 digit and 1 digit by 4 digits day of packing & shipping orders! Customize by adding your favorite shipping store (includes editable version to make your own company) or use my fake company called, FASTT Shipping Co.!*

## TurkeyTENS Base Ten Friends © (Place Value Activity & Class Scoot) November

*Make place value learning fun and engaging in your classroom w/the TurkeyTENS Base Ten Friends! Give your students a number (Tens or Hundreds option) & have them cut and glue to create their own turkey! Then have them use the classroom scoot paper to walk around the room and answer their classmates' pictures.*

## Pencil Bin Labels (Help, I'm Broken!)

*Labels for your pencil cups, it's quick and easy! Keep students organized by allowing them to borrow and sharpen pencils!*

## Flip (Formally Flipgrid) Video Organizer/Template for Students (Rubric options)

*Use these organizers or templates for your classroom to help guide your students when they are creating a Flipgrid video. There are easy to use rubrics for easy grading as well.*

### Blurt Chart - Classroom Management System

*Use this weekly Blurt Chart to help keep track of data of when students call out during instruction time. Reward students with extra bonus tickets (bucks) if they don't have any blurts for the week! This is also great data to show parents when having a discussion about behaviors in the classroom.*

Gear up for a month of active learning, engagement, and growth in your classroom with our November resources. Explore the recommended resources above and consider grabbing the November Resource Bundle to make the most of this exciting month. Let Fair Winds Teaching be your partner as you create a memorable and impactful November for your students. Together, we'll make this a month of discovery, progress, and success in your classroom!
