

RE-vibe™

Anti-Distracton Wristband

RE-vibe uses gentle vibrations to bring wandering minds back on task, fostering independence & confidence in the classroom.

RE-vibe helps students spend more time **engaged in learning**, reducing the need for parent and teacher redirections.

- Wristband is made from ultra-strong nylon, and lined with soft, organic cotton
- Premium velcro closure

Charging & Battery

- Integrated safety circuit
- Battery life: up to 7 days of normal use
- Charge time: 2 hours
- Micro USB wall charger included

Sensors & Components

- Whisper-quiet vibration motor
- 3 axis accelerometer turns RE-vibe on/off automatically
- Proprietary algorithm designed to mitigate habituation (i.e. the tendency to become used to repeated reminders)

Premium velcro closure ensures a perfect fit.

Interchangeable band made from ultra-strong nylon, and available with soft, certified organic cotton.

Whisper-quiet vibration motor is discreet, does not disturb others.

Enclosure made from food grade plastic (contains no BPA/BPS, lead, or phthalates).

Up to 7 days of normal battery life.

Fit & Size

Bands available in 2 sizes.

Small: fits wrists 11.5 cm - 14.5 cm
Regular: fits wrists 14.5 cm and up

To find wrist size, use a measuring tape or a piece of string that fits snugly around the wrist.

Four Pre-set Modes:

- 1 (Mildly Distracted): about every 10 mins.
- 2 (Moderately Distracted): about every 7 mins.
- 3 (Significantly Distracted): about every 5 mins.
- 4 (Homework Mode): about every 3 mins, and flashing lights cue breaks after 15 mins of work.
