

Air & Steam Spotting Gun (2-Way, 2-Switch)

*** WARNING ***

- Before attempting to wire this spotting gun, ensure that no power is running along the circuit of your equipment.
- To avoid personal injury, ensure that your equipment is properly grounded.

❖ Wire Installation

Connect each 4 Wires (Black, Red, GREEN & YELLOW+GREEN) to corresponding terminal on your equipment.

SG2 Wire Color Coding

- BLACK —————▶ LOAD
- RED —————▶ STEAM SOLENOID
- GREEN —————▶ AIR SOLENOID
- YELLOW+GREEN —▶ GROUND
