

*A wonderful gift is  
on its way...*

I just wanted to let you know that I  
have bought your Christmas present  
this year from a small business -  
which I know you'll love - but due to  
2022 being 2022 it is still on its way  
to you!

Hope you don't mind waiting - I  
promise it's something to look  
forward to!

*Merry Christmas*
