

Product Datasheet

Product: PROLOK Security Screw

Brand: PROLOK

Product Type: Security Screw

Head Type: Clutch Head (One-Way)

Head Style: Round Head

Thread Type: Machine Screw

Size: M6 x 20mm

Drive: One-Way

Material Finish: Zinc Plated

Pack Size: 25 Screws

Part Number: CHRM620Z-25

Application

Ideal for securing access panels, safety guards, and other components where maintenance-free tamper resistance is required. Clutch head screws are designed to be driven with a standard slotted screwdriver, but cannot be removed easily, offering excellent security.

Key Features

- One-way clutch head for tamper resistance
- Round head design provides a clean finish
- Zinc plated for corrosion resistance
- Suitable for indoor and outdoor use
- Pack of 25 for bulk application
