## Cape Sebastian Sunset

Who knew that taking a picture of the Oregon Coast could be such an adventure!? When Charlie Wollertz told me the story about how this beautifully romantic picture of a Cape Sebastian Sunset came into existence I could hardly believe it. Talk about being at the right place at the right time! You'd never dream that the story includes an encounter with a wild donkey, a mission

to find some moss-covered whale vertebrae and trekking 4 miles back to the trailhead in the dark in a race against the incoming tide!

Nicart Gallery is proud to host our 1st Art Reception to meet Charlie Wollertz, see his amazing photography and hear his stories first hand. Please plan to join us!

**Where:** Evergreen Courts, 451 O'Connell St, North Bend, OR 97459
