Electronic Pest Repelling System

We Care About Your Results

Hi, everyone, this is Ron with Cleanrth Products & we are dedicated to positive pest-repelling results.

If for some reason your results are not met at around the 16-20 day mark, please take the time to Contact Us.

We will move to a "Stage 2" worth of help/repelling your pest issue.

As a business owner, I understand the frustration of pesky pest problems & I wanted to let you know that we're here to help you when a tough problem comes along.

We Have Solutions For the Real Tough Pesky Issues!

Electronic Pest Repelling System

INDUSTRIAL STRENGTH

QUICK - GUIDE

Customers have reported success repelling:

We care about your results!

QUICK GUIDE

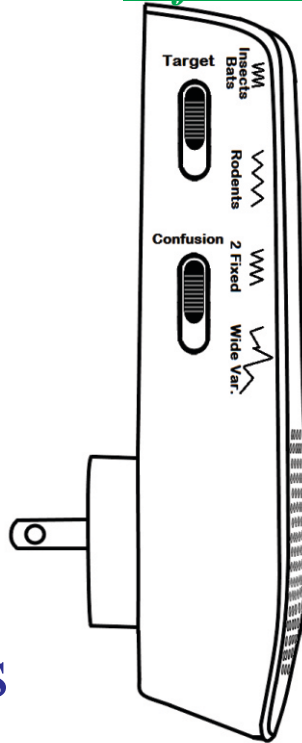

Step 1 Remove your Industrial Electronic Pest Repeller from its box & set all the Switches using our recommended settings.

Speakers

Left Side

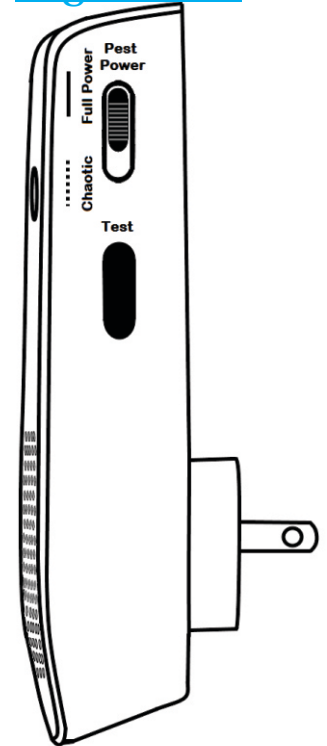

Step 2 On the **Right Side** please set the **Pest Power Switch** to **Full Power**. Your device will run Full Time, which is exactly what you want at the beginning stages of repelling. The Test Button simply allows you to hear an audible version.

Step 3 On the **Left Side** please set the **Confusion Switch** to **Wide Var.**

Step 4 Now slide the **Target Switch**:
-**UP** to Target / Repel **Insects & Bats**.
-**DOWN** to Target / Repel **Rodents**.

Right Side

Step 5 Now place your Industrial Electronic Pest Repeller close to the infested area. Do your best to **face the speakers toward** the problem areas (extension cords work great for placement).

Remember that you can read your instruction booklet for more info and to **follow** our **Full Repelling Change Techniques**.

If your Pest Problem still persists after the 16-20 day mark.
Please Contact us as we will Move to a **Stage 2** worth of Help/Repelling

If Ordered Online, it's **"BEST"** to Contact Us via the website you ordered from (e.g., Amazon, Walmart, Lowes, etc.) or E-mail: info@cleanrth.com or Phone: 480-255-5113
