

This device is audible to humans.

This device is audible to humans.

Please be aware that this device  
*was designed to be audible*  
in order to repel birds.

If you find that this sound annoys you,  
**please do not give us a review on Amazon**  
*--based on this audible feature—*  
as that can really hurt our business.

Please contact us so we can help you adjust the  
Sonic Frequency setting so that it's less audible.

If this doesn't work, we have made it very  
*quick and easy to return the device for a full refund.*

In most cases, we will immediately refund your money and you can return  
the device at your convenience.

Thank you for your understanding!
