

Tony Jones has had a long-term dream of creating authentic Australian Single Malt Whiskies among other spirits, and it was in 2017 when his family combined to turn this dream into a reality.

Using the finest quality ingredients, our spirits are 100% authentically crafted and aged under the most favourable cold climatic conditions right here in the heart of the Central West.

We are delighted to share that every spirit competition we have entered for both gin and whisky, we have walked away with a medal for that particular spirit. The pinnacle being in both 2021 and 2022, our Sloe and Navy Gins took out the Trophy at the Australian Gin Awards.

To kick off 2023, we began our new chapter in our new home here in Lucknow.

We would like to welcome you to our venue and hope you enjoy your time with us.

WHISKY

Whisky is a craft derived from the type of malted barley selected, the quality of water used, the properties of certain yeasts, the hands on distillation process, and the barrel types sifted through from throughout the world, finally with a patient maturation period- all with an endgame of bringing the finest drops to your glass.

Proudly, everything in our whisky making process occurs in-house, and it is the passion behind this that produces our golden nectar of drams below.

GIN

Gin, a tale as old as time, and as unique as your imagination can take you. We pride ourselves on finding the right balance in our botanical recipe, the meticulous distillation processes, and the final steeping of our fruit gins.

Signature Dry, a floral bouquet and prevailing citrus complementing the juniper hierarchy of a classic dry gin.

Navy Strength, you will discover a herbal infusion, buttery almond oozing earthy undertones, and just enough of a hint of pepper and spice and all things nice.

Sloe Gin, deserving of only the finest Tasmanian sloe berries, hand picked immediately after their first frost kiss of the season.

Cherry Gin, where our local cool climate and high altitude produce the very best cherry suited to steeping in our famed 17 botanical gin recipe.

A tasting flight lets you explore our award winning gins as you like them. We will provide you the gins you select, an array of garnishes, your choice of tonic or soda, and serving suggestions.. but ultimately you're in the drivers seat, so you can play around with what you want to indulge in.

EPOCH Gin Tasting Experience

Flight of 2 Epoch Gins - 20
Signature Dry and your choice
of Sloe or Cherry

Flight of 4 Epoch Gins - 35
Signature Dry, Navy Strength,
Sloe & Cherry
