Product Data Sheet

4mm Seamless No Dot COB LED Tape Light - 3000K

• Latest COB (Chip on board) LED technology
• Seamless "No Spotting" light aesthetic throughout
• 2M input lead with MICRO connector (Plug and play)
• Requires 12V LED power supply or Uprise compatible cabinet LED driver

Technical Specification

Benefit	Continuous light line
Product Type	Spotless LED tape light
Kelvin Rating	3000K
Colour Temperature	Warm White
IP Rating	IP20 (Internal)
Chip Type	COB (Chip on board)

LEDs per meter	480 LEDs
LED Life	70% @ 50,000 hours

Light Characteristics

Lumens/w	105lm/W
Lumens/m	700lm
Beam Angle	180°
CRI	85+

Electrical

Wattage/m	4W/m
Voltage	12V
Current (A)	0.42A/m
Cable in	2M 2 core with connector
Cable Out	200mm 2 core

Dimensions

Width	4mm
Height	2mm
Length	3.5M / 5M / Custom Size

Installation

Cut points	50mm
Cable	2 core flat cable

Mounting	3M backing tape

Guarantee

Certification	CE, RoHS
Warranty	3 years

Packaging

Packaging	Silver-foil bag
Net Weight	152g/roll
