

Make your point.

Creating a first aid point is as easy as 1,2,3 (plus AED)

aurapoint

The modular, sustainable, first aid solution.

DESIGNED TO COMPLEMENT OUR NEW AURA3 RANGE OF FIRST AID KITS WITH YOUR WORKPLACE IN MIND

All workplaces are unique, the first aid requirements are too. Choose from our sustainable first aid point range and create the workplace first aid system your risk assessment demands. (First Aid provision should always be based on the levels of risk associated with each individual).

MODULAR Ensure you have everything you need to meet your regulatory requirements in one simple modular solution. Provides neat storage and easy recognition of product.

LESS PLASTIC AND PACKAGING Aura point is part of our new sustainable product range that reduces our carbon footprint, using 100% recycled plastic and is 100% recyclable.

* Excludes product and packaging.

Provides clear identification of kit contents.

Aura3 box bracket fits neatly to the aurapoint.

Each Aurapoint clips together.

Better for the workplace, better for the planet.

'Leading First Aid'

REV090523

What does the law say?

The Health and Safety (First Aid) regulations 1981 states:

"An employer shall provide or ensure that there are provided such equipment and facilities as are adequate and appropriate in the circumstances for enabling first aid to be rendered to his employees if they are injured or become ill at work"

Aurapoint offers a convenient and compliant solution for your workplace. Available in a range of 2,3,4 and lifesaving AED unit options, providing quick and easy access to first aid.
