

[CODE] RED™

NEXT GENERATION BAGS

When the going gets **tough.**

[CODE] RED™

EMERGENCY MEDICAL EQUIPMENT & SUPPLIES

CODE RED bags are built to cope with the most demanding environments, from daily use to emergency medical and tactical first response, a Code Red bag will never let you down.

STRONG:

Code red bags are designed to be durable made from rip resist material featuring edge piping to maintain shape, with heavy duty stitching.

CUSTOMISABLE:

Feature the innovative snap patch system.

Velcro patches can be quickly applied and removed to indicate the bag usage.

STRIKING:

Modern, stylish designs. With design features such as matching horizontal reflective strip rugged handles, straps and zip pulls.

SAFE:

Wipe clean, anti-bacterial base.

SECURE:

Water resistant material.

Designed to be used outdoors.
