

Share our vision...

Our new vision range has a keen eye for design and a focus on sustainability.

- Transparent cover, means you can check stock-levels at a glance.

- Compact design uses 50% less wall space.

- By using less plastic, we can ship 42% more units on each shipping container - reducing the carbon footprint.

* Excludes product and packaging.

Based on the previous version size: 35.8cmH x 51.3cmW x 11.8cmD and new size: 25.6cmH x 38.5cmW x 18cmD.

100% recyclable.

Drastically reduced use of virgin plastic.

Uses up to 50% less wall space.

Critical items are identified immediately through the transparent lid, making it much easier to administer first aid correctly and keep check on all-important stock levels.

BS8599-1:2019 COMPLIANT FIRST AID KIT

in Vision Green/Clear Lid Wall Station

British Standard compliant first aid kits reflect the most up-to-date changes in both workplace practice and risks, making them demonstrably more 'fit for purpose' in today's environment.

Each Vision wall panel displays all the British Standard compliant contents in a way that ensures effortless selection of specific components and enables effective treatment.

LOW RISK: (e.g. shops, offices, libraries, etc.)

HIGH RISK: (e.g. light engineering and assembly work, food processing, warehousing, etc.)
