

### Features

- Includes valve trim with handle, bath spout, shower arm and flange, and showerhead.
- Single handle controls both on/off activation and temperature settings.
- Integrated push-button diverter.
- Optimal water coverage provided by large showerhead diameter.
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup.
- High-temperature limit stop allows you to preset a comfortable maximum temperature to eliminate scalding.
- Coordinates with Loure faucets, accessories, and showering components to complete your bathroom.
- Pressure-balancing diaphragm technology maintains outlet temperature within +/-3°F during water pressure fluctuations.

### Material

- Premium material construction with metal handle ensures reliability and durability.
- KOHLER finishes resist corrosion and tarnishing.

### Installation

- Trim only; requires valve to complete installation (sold separately).
- Ease of installation with slip-fit connection.
