

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

SECTION 1: Identification

1.1 GHS Product identifier

Product name	Checkerspot® Cast PU: Algal Polyol Blend
Product numbers	1003 1004 1069 2249

1.2 Other means of identification

CPU-1070-003-B CPU-1070-004-B CPU-1070-069-B CPU-1070-249-B

1.3 Recommended use of the chemical and restrictions on use

Recommended use: Research purposes only.

Restrictions on use: The product must not be used in applications other than those identified above, without first seeking advice of the supplier.

1.4 Supplier's details

Name	Checkerspot, Inc.
Address	1250 Marina Village Pkwy Alameda CA 94501 USA
Telephone	(510) 842-0557
email	EHS@checkerspot.com

1.5 Emergency phone number

CHEMTREC (USA)	1-800-424-9300
CHEMTREC (International)	+1-703-527-3887

SECTION 2: Hazard identification

General hazard statement

The toxicological properties of this substance have not been fully investigated.

2.1 Classification of the substance or mixture

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

2.2 GHS label elements, including precautionary statements

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

Not a hazardous substance or mixture.

2.3 Other hazards which do not result in classification

May cause skin irritation.
May cause eye irritation.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Components

1. Algal Oil Polyol

Concentration 55 - 99 % (weight)

2. Other Proprietary Ingredients

Concentration 1 - 45 % (weight)

Trade secret statement (OSHA 1910.1200(i))

The specific chemical identity and/or exact percentage (concentration) of composition for certain ingredients has been withheld as a trade secret.

SECTION 4: First-aid measures

4.1 Description of necessary first-aid measures

General advice	Have a product container or label with you when calling a poison control center or doctor.
If inhaled	Remove to fresh air. If breathing is difficult, get medical attention.
In case of skin contact	Remove contaminated clothing. Rinse skin with water.
In case of eye contact	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention.
If swallowed	Wash out mouth with water. Move exposed person to fresh air. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur. Never give anything by mouth to an unconscious person.

4.2 Most important symptoms/effects, acute and delayed

No additional information available.

4.3 Indication of immediate medical attention and special treatment needed, if necessary

NOTE TO PHYSICIAN: No specific antidote, treat symptomatically.

SECTION 5: Fire-fighting measures

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

5.1 Suitable extinguishing media

SMALL FIRE: Use DRY chemical powder.

LARGE FIRE: Use water spray, fog or foam.

5.2 Specific hazards arising from the chemical

Combustion products may include carbon oxides.

5.3 Special protective actions for fire-fighters

Evacuate area and fight fire upwind from a safe distance. Dike and collect water used to fight fire to prevent environmental damage due to run off. Foam or dry chemical fire extinguishing systems are preferred to prevent environmental damage from excessive water runoff. Minimize use of water to prevent environmental contamination.

Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode. PVC boots, gloves, safety helmet and protective clothing should be worn.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

IN CASE OF SPILLS OR LEAKS: Clean up spills immediately, observing precautions in Section 8 of this document. Isolate hazard area. If spilled, may cause the floor to be slippery. Keep unnecessary and unprotected personnel from entering.

6.2 Environmental precautions

This material should be prevented from contaminating soil or from entering sewage and drainage systems and bodies of water. Minimize use of water to prevent environmental contamination.

6.3 Methods and materials for containment and cleaning up

SMALL SPILL: Use appropriate tools to put the spilled material in a convenient waste disposal container. Wash the spill site with water and dispose of according to federal, state, local and regional authority requirements.

LARGE SPILL: Soak up with inert absorbent material and collect in a suitable waste disposal container. Wash the spill site with water and dispose of according to federal, state, local and regional authority requirements.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Wear proper safety equipment specified in Section 8 when mixing, loading or otherwise handling concentrate. Remove PPE and wash hands after handling this product. Smoking, eating and drinking should be prohibited in the application area.

7.2 Conditions for safe storage, including any incompatibilities

Keep container in a cool, well-ventilated area. Keep container closed. Keep away from food, drink, and animal feed.

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

No occupational exposure limits known.

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

8.2 Appropriate engineering controls

Facilities storing or utilizing this material should be equipped with an eyewash facility and a safety shower.

8.3 Individual protection measures, such as personal protective equipment (PPE)

Pictograms

Eye/face protection

Chemical safety goggles or glasses with side shields.

Skin protection

CLOTHING - Long-sleeved shirt and long pants, chemical-resistant footwear, plus socks.

GLOVES - The following protective materials are recommended: chemical-resistant gloves, such as barrier laminate, butyl rubber, nitrile rubber, neoprene rubber, natural rubber, polyvinyl chloride (PVC), viton.

Respiratory protection

Not required when handled under normal conditions.

SECTION 9: Physical and chemical properties

Basic physical and chemical properties

Physical state	Liquid
Appearance	Slight tan opaque liquid
Color	Off white
Odor	Characteristic
Odor threshold	No data available
Melting point/freezing point	No data available
Boiling point	No data available
Flammability	Not flammable
Lower and upper explosion limit/flammability limit	Not applicable
Flash point	> 300 °F / 150 °C
Auto-ignition temperature	No data available
Decomposition temperature	No data available
pH	No data available
Kinematic viscosity	No data available
Solubility	No data available
Partition coefficient n-octanol/water (log value)	No data available
Vapor pressure	No data available
Evaporation rate	No data available
Density and/or relative density	No data available
Relative vapor density	No data available

Particle characteristics

No data available

SECTION 10: Stability and reactivity

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

10.1 Reactivity

No dangerous reaction known under conditions of normal use.

10.2 Chemical stability

This product is stable when stored at normal ambient temperatures. May decompose if heated to high temperatures.

10.3 Possibility of hazardous reactions

No hazardous reaction when handled and stored according to provisions.

10.4 Conditions to avoid

Avoid temperatures above 300 °F (150 °C) for prolonged period of time.

10.5 Incompatible materials

No additional information available.

10.6 Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

SECTION 11: Toxicological information

Information on toxicological effects

Acute toxicity

No data available.

Skin corrosion/irritation

May cause skin irritation.

Serious eye damage/irritation

May cause eye irritation.

Respiratory or skin sensitization

No data available.

Germ cell mutagenicity

No data available.

Carcinogenicity

No data available.

Reproductive toxicity

No data available.

Specific target organ toxicity (STOT) - single exposure

No data available.

Specific target organ toxicity (STOT) - repeated exposure

No data available.

Aspiration hazard

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

No data available.

SECTION 12: Ecological information

Toxicity

No data available.

Persistence and degradability

No data available.

Bioaccumulative potential

No data available.

Mobility in soil

No data available.

SECTION 13: Disposal considerations

Disposal methods

Product disposal

This product, solutions and any by-products must be disposed of in accordance with federal, state and local environmental control regulations. Do not contaminate water, food or feed by storage or disposal.

Packaging disposal

This material and its container must be disposed of in a safe way via a licensed waste disposal contractor. Empty containers or liners may retain some product residues. Do not reuse containers.

Waste treatment

The generation of waste should be avoided or minimized wherever possible.

Sewage disposal

Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Other disposal recommendations

No additional information available.

SECTION 14: Transport information

DOT (US)

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations specific for the product in question

Safety Data Sheet

Checkerspot® Cast PU: Algal Polyol Blend

Toxic Substances Control Act (TSCA) Inventory

Not listed. TSCA Research and Development Use Only for industrial uses. TSCA-exempt for food contact and cosmetic use.

Canadian Domestic Substances List (DSL)

Not all ingredients listed.

SARA 311/312 Hazards

Refer to hazard classification information in Section 2.

SARA 313 Components

Not listed.

Massachusetts Right To Know Components

Not listed.

New Jersey Right To Know Components

Contains listed components. Contact Checkerspot for more information.

Pennsylvania Right To Know Components

Contains listed components. Contact Checkerspot for more information.

California Prop. 65 Components

This product does not contain any chemicals known to the State of California to cause cancer, birth defects, or any other reproductive harm.

SECTION 16: Other information

Version: 3.0

Revision Date: 08/02/2023

16.1 Further information/disclaimer

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event shall Checkerspot, Inc. be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Checkerspot, Inc. has been advised of the possibility of such damages.

16.2 Preparation information

Abbreviations and acronyms
