# Grow with STEAM

By Marnie Forestieri

This series of colorful, 'real picture' board books introduces children and their families to STEAM concepts. Developed with renowned early childhood educators who specialize in STEAM learning, the vocabulary in each of these books is carefully selected from the STEAM curriculum, choosing words that encourage conversation, activity, and fun!

Give your child a head start by introducing the essentials of **STEAM**  
(Science, Technology, Engineering, Arts, and Math).

Developed by experienced educators, STEAM helps promote dialogue, thought-provoking questions, and critical thinking. GROW WITH STEAM books embrace this approach and are uniquely designed to promote:

Parent/Child  
Interaction

Critical  
Thinking

Problem  
Solving

Confidence
