Care²

INSTRUCTIONS FOR USE

ALTERNATIVE ONE

With one of the doors
against the seat backrest

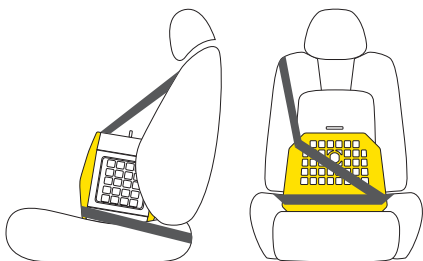

IMPORTANT

Always fasten your Care² in accordance to this instructions before driving. If you place the Care² in the front seat and the seat belt is not long enough, move back the car seat and use alternative two.

This position may not be possible depending on the length of the seat belt

ALTERNATIVE TWO

With one of the sides
against the seat backrest

IMPORTANT

Use only a wet cloth with mild soap when cleaning your Care²
