1. Introduction

At Pro Health Solution Limited, we are committed to minimizing our environmental impact and promoting responsible practices in our business operations. This policy outlines our commitment to environmental management and includes emergency response procedures for potential accidents with significant environmental impacts.

2. Environmental Commitment

We are dedicated to:

- Complying with all relevant environmental laws, regulations, and standards.
- Continually improving our environmental performance and preventing pollution.
- Reducing waste generation, conserving resources, and promoting recycling.
- Educating and engaging our employees, suppliers, and stakeholders in environmental initiatives.

3. Environmental Emergency Response Procedures

a. Preparedness:

- Identifying potential environmental risks and hazards in our operations.
- Training employees on emergency response protocols and procedures.
- Maintaining appropriate emergency response equipment and resources.
- Establishing communication channels for reporting environmental incidents.

b. Response:

In the event of an environmental emergency, we will:

- Immediately assess the situation and prioritize the safety of personnel.
- Contain and mitigate the environmental impact to the best of our ability.
- Notify relevant authorities and stakeholders as required by law.
- Initiate a thorough investigation and root cause analysis to prevent future incidents.
- Communicate transparently with the public and stakeholders regarding the incident.
