Step 1: Students color and repeat the words on their BINGO word card.

Step 2: Students repeat and cut out the bingo words as they work. They can then line the words up to form sentences.

Step 3: Students choose which 16 of the 20 words they want on their bingo sheet and place them in a random order.

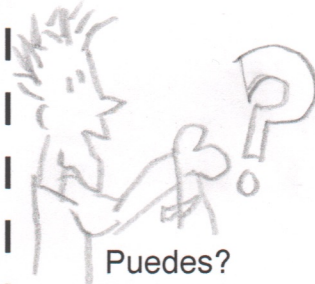

Step 4: As the teacher or caller calls out the words, students FLIP the bingo word-cards upside down. Four upside-down squares in a row wins!
