

003 SERIES

VLBOS-003-4-RGBCW

Subtly light up your outdoor areas in style with this full-colour changing solar bollard. Thanks to the polycarbonate dome over the solar panel, it has a high impact rating to assist against unwanted vandalism. On rainy days the curved dome will flush the dust away to ensure maximum charging during daylight hours. The VLBOS-003 Series adopts highly efficient mono solar panel and a LifePO4 battery and offers a continuous and stable lighting performance with up to 3 nights autonomy when the battery is fully charged. This RGBCW full-colour changing bollard comes complete with a remote control.
