

TIPPER TALK

TIPPER TALK CBB MONTHLY NEWSLETTER | SEPTEMBER 2023 |

STAY INFORMED WITH TIPPER TALK: YOUR MONTHLY SOURCE FOR UPDATES, NEWS, AND INSIGHTS!

Welcome to our monthly newsletter, Tipper Talk - Your Monthly Destination for the Latest Updates, News, and Insights! We are excited to present you with the freshest developments, news, and insightful viewpoints from CBB. This newsletter acts as your go-to hub for staying connected and well-informed about our achievements, industry updates, and the latest happenings at CBB.

Should you be interested in ensuring the success of your upcoming project, delving into specifications, or making component purchases, please don't hesitate to reach out to our sales team at 03 9311 6124.

LATEST NEWS

NHVR LAUNCHES ONLINE HUB TO STREAMLINE HEAVY VEHICLE ACCESS FOR LOCAL ROADS

A new online information hub aims to assist local government and road managers in accessing local roads for heavy vehicles. The National Heavy Vehicle Regulator (NHVR) recently launched this centralized resource, offering links to tools and materials covering topics such as heavy vehicle access, benefits of access, route evaluation, and Performance Based Standards (PBS) for heavy vehicles. Local road managers are vital for the smooth flow of trucks in Australia, and the Heavy Vehicle Industry Association (HVIA) welcomes this NHVR initiative, which simplifies access to information for the industry. Access the NHVR's hub here: <https://www.nhvr.gov.au/road-access/local-government-road-managers>

MAKE THURSDAYS YOUR PBS INSPECTION DAY!

CBB Conducts a weekly PBS inspection day every week all year round. If you're in need of PBS certification for your vehicle, the process couldn't be simpler. Just give our office a call at 03 9311 6124 to make a booking.

When you choose to get your vehicle certified on PBS Day, you can expect the entire process to take around 1-2 hours, depending on the specifics of your vehicle and any necessary inspections.

We understand that waiting can be a part of the process, so to make your experience as comfortable as possible, we've set up a waiting room right here on-site.

Our goal is to make the PBS certification process hassle-free for you. So, mark your calendar for Thursdays and get in touch with us to ensure your vehicle meets all the necessary requirements and safety standards. We look forward to assisting you and providing a convenient, efficient, and comfortable experience.

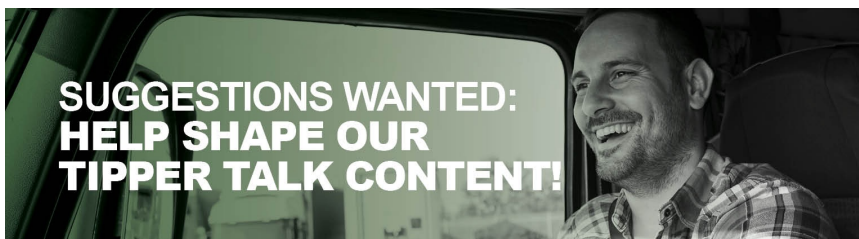

ELEVATE YOUR TYRE MANAGEMENT WITH HVIA'S COURSE!

UNLOCK THE ROAD TO BEST PRACTICE TYRE MANAGEMENT WITH HVIA'S NEW COURSE!

Discover HVIA's newly discovered Best Practice Tyre Management course, which delivers practical, dynamic, and interactive online learning. Learn how to develop your own procedures based on best practice tire management principles, including maintenance, rotation, and replacement policies.

SUGGESTIONS WANTED: HELP SHAPE OUR TIPPER TALK CONTENT!

We value your input! At Chris Body Builders, we are committed to delivering content that matters most to our community. That's why we want to hear from you. We're inviting all our readers to share their thoughts and suggestions on what they'd like to see more of in our newsletter. Whether you're interested in detailed builds, insights into spare parts, or tips on efficient repairs, your opinions matter.

We aim to tailor our content to your interests and preferences, so let us know what topics and themes you'd like us to explore. Simply send your ideas and suggestions to n.cuffe@chrisbodybuilders.com.au, and together, we can create a newsletter that truly caters to your needs and interests. Your feedback is invaluable to us, and we can't wait to hear from you!

LATEST BUILD

OLD MEETS NEW!

Check out this incredible transformation of a classic Mack truck by Chris's Body Builders. They've given it a stunning makeover with a brand new Hardox tipper body.

This vintage Mack has been reborn and is now ready to conquer the roads with style and durability.

CBB Product Range
