## We've Got You Covered

Quadient customer support is there for you with our contact centre and trained technicians who are ready to assist you. We are dedicated to providing you with world class customer satisfaction and offer automatic diagnostics with our product line.

By uploading systems data, we will be alerted if you are having trouble. This remote access to your system allows us to analyse the situation remotely and then fix it accordingly.

## About Quadient®

Quadient is the driving force behind the world's most meaningful customer experiences. By focusing on four key solution areas including Customer Experience Management, Business Process Automation, Mail-related Solutions, and Parcel Locker Solutions, Quadient helps simplify the connection between people and what matters. Quadient supports hundreds of thousands of customers worldwide in their quest to create relevant, personalized connections and achieve customer experience excellence. Quadient is listed in compartment B of Euronext Paris (QDT) and belongs to the SBF 120 index.

# Innovation Driven by Our Experience

**4. Imprint Preview**
Intuitive navigation with Run My Mail

**2. Shortcut Keys**
Straightforward

**5. External Weighing Platform**
Large weighing capability

**1. Optional Automatic Feeder & Sealer**
High Productivity

**3. High Speed Connection**
Connectivity

## 1. High Productivity

Optional Automatic feeder adjusts to sort mail by size and thickness. Self-aligning rollers prevent jams or misprints (optional).
## 2. Straightforward

Shortcut keys help you speed your mail processing for maximum ease-of-use.

## 3. Connectivity

Connect with high speed LAN and get the latest postal rates, software updates, ink alerts & remote diagnostics.

## 4. Intuitive navigation with Run My Mail

With instant imprint preview, you can see real-time how your custom slogans and free texts will look like on the envelope.

## 5. Large Weighing Capability

Handle large C4 envelopes, and any size of parcels with the 30 kg scale option.
