## Set of Pliers Wrenches

3-piece

- Pliers wrenches from KNIPEX are ideally suited for the gentle gripping, holding, pressing and bending of workpieces, each one replacing an entire set of wrenches
- The practical, hard-wearing polyester fabric tool roll protects your tools and the hook-and-loop fastener keeps them within easy reach!
- These sets each contain three pliers wrenches of different sizes with slim, plastic-coated handles
- Like all pliers wrenches from KNIPEX, their smooth, parallel jaws allow firm yet gentle gripping – even when working with chrome!
