

M676 THIN

Flush plate for pre-wall installation systems, white-matt

Application

For pre-wall installation systems and concealed WC cisterns

Features

- Double-acting mechanical flushing
- Compatible with all Alcaplast pre-wall installation systems and cisterns for building into solid walls
- Material: plastic
- Surface finish: white-matt with antibacterial properties (ensured by the content of silver compounds)
- The flush plate thanks to its profile stands out only 5.5 mm above the tiles

Scope of supply

- Template for correct flush plate setup
- Flushing mechanism screws 2 pcs
- Flush plate
- Fixing frame of the flush plate
- Threaded frame clamp 2 pcs
