## Fundraising... and a tour!

Whether you're fundraising with your school, athletic team, youth group, or non-profit agency, we offer Fundraising Tours to groups of 15 people or fewer. A wonderful educational opportunity, the Hall's family will give you an inside look at making candy, running your own business, and working side-by-side along family... all while maintaining a brand as a nationally recognized chocolatier!

**Hall's Candies** was established by the Hall family in 1970 in Gillett, PA. Operations started small when the Hall family began making and selling salt water taffy on the local fair circuit. But as our product line grew from taffy, to brittle, to chocolates, and eventually to fudge, so did local demand. Hall's quickly became a local favorite, and for the next four decades, the Hall family sold candy to loyal patrons during the holidays and summer festivals.

Now we invite your organization to be a part of it all! Join the sweetest fundraising program and raise money for your cause, organization, or school in a rich way. We offer year-round fundraising with our delicious candies, continuing to delight many a sweet tooth. Support a local, family-owned business and achieve your fundraising goals in a fresh way.
