

hi, we're stockd.®

We're not just another online store, we're your partner – Premier's digital sales solution exclusively for GPO members.

Purchase **limited-time deals** on contracted products and **products sourced directly** for our members that offer **extensive savings**.

our story.

Stockd® is a digital sales channel that connects Premier's GPO members with contracted sellers and with products and equipment we rely on.

Stockd is powered by Premier®, one of the nation's leading healthcare purchasing experts, and serves as an extension of Premier's Group Purchasing Organization (GPO). We understand the challenges our members face every day and offer stockd to streamline the purchasing process.

Here to meet your purchasing needs. Whether you're a health system, a provider on the care continuum or a non-healthcare facility, stockd is here to lower your purchasing costs. Stockd offers products curated for numerous classes of trade, including:

- medical offices
- long-term care facilities
- surgery centers
- small to mid-size businesses
- home health & nursing
- educational institutions
- physical therapy
- government offices & agencies

what we offer

- 1 **Group Buys** are exclusive, limited-time purchasing opportunities that deliver significant savings (10%+) beyond Premier's already exceptional national group purchasing agreements. Contracted suppliers offer promotional discounts on select products to provide additional value and savings.
- 2 **Foodservice Opportunity Buys** are quick-sale, short-term deals for Premier Foodservice members only. Offers are managed and fulfilled by contracted suppliers. Grab these savings opportunities while supplies last!
- 3 **Premier's direct sourcing program** through **S2S Global®** offers PremierPro™ branded products, a broad portfolio driven by members delivering meaningful cost savings. S2S Global vertically integrates the supply chain, providing our members with factory direct products, driving cost-value and transparency.

so, why shop with us?

- **Exclusive savings opportunities**
- **Easy access to a diverse portfolio of products**
- **Quality-vetted products via Premier's clinical sourcing process**
- **User-friendly digital sales channel**
- **Optional payment terms and tax exemption for qualifying organizations**
- **Customer service support**
