

Going to the dentist

I am going to the dentist for a check-up.

The dentist makes sure my teeth are clean and healthy.

Dental Clinic

When we arrive at happy teeth the lady at reception will say "hello"

Waiting Room

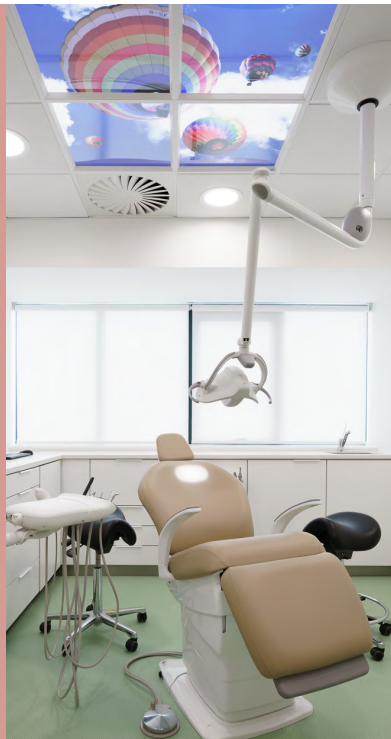

We will sit in the waiting room. While we wait, I can read or play with toys.

When my name is called out it is my turn.

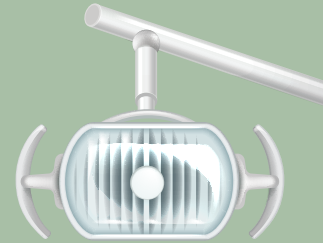

The dentist will tell me what will happen. This is OK.

I will sit on the dentist chair. The chair can move so I can lie back and the dentist can see my teeth.

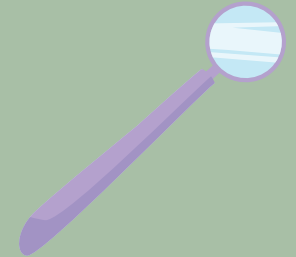

The dentist will turn on a bright light. I can wear sunglasses. This is so the dentist can see all my teeth.

The dentist will then look in my mouth and check my teeth.

The dentist has a small mirror to see all my teeth.

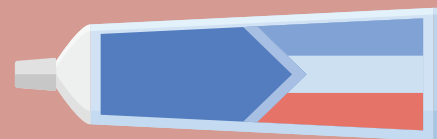

The dentist might then use a brush on my teeth. This is OK. I will try to keep my mouth wide while the dentist is looking at my teeth.

The dentist can teach me how to clean my teeth at home each day so that I don't get cavities or other problems with my teeth.

The dentist will be proud of me having my check-up

Sometimes the dentist will give me new supplies to bring home to help me keep my teeth healthy and clean!

At the end I will go back to the waiting room to get a prize.

Then I say goodbye.
