MODULAR CABINET SYSTEMS
100% --- CANADIAN MADE

Meet the next generation of modular cabinet systems: KitchBOX

QUICK & EASY ASSEMBLY

Our simple design and built-in hardware allow for assembly to be completed in 3 minutes or less! All you will need is a cordless drill and a KitchBOX Assembly Tool.

STRONGER & MORE DURABLE

Featuring a thicker back panel, fully finished drawer boxes, and a larger weight capacity than the other guys.

MORE CHOICES

There are more than 5x the amount of size offerings compared to IKEA®. Our widths are available in 1-1/2" increments from 9-24" and 3" increments from 24-39". Plus, we have four colour options, White, Charcoal, Walnut, and White Oak.
