PRIVATE HIRE**

LONDON'S PREMIER EVENT VENUE

We took our storied Hollywood past and created a venue for the future, here in the heart of London. Exhibition Flipper's is a space to suit any event.

With our full in-house production and ops team, catering services, security and more, Exhibition Flipper's is not just a venue—we're a partner who can help bring your vision to life.

Yes, we have a roller rink—but we're built for all types of gatherings. From large corporate parties to intimate VIP dinners, make our hybrid spaces your own, wheels off or on.

The image shows a large, modern event space with a curved bar and graffiti art on the walls. The text "THE PERFECT EVENT CANVAS" is overlaid in large, white, bold letters.
