**1. The Commodore by Du Maurier Watches.** This stunning, Swiss-made diving watch is a Limited Edition of only 125 pieces. A classic combination of style and performance, a true dress-diver that looks as good with a suit as it does in the water. The Commodore with waterproof leather strap £465. See the full collection at [www.dumaurierwatches.com](http://www.dumaurierwatches.com) or call 0845 5193074. **2. The Electric Grand by Newgate** is based on mid-century factory wall clocks. 50mm diameter case. £149. Order online at [www.newgatewatches.com](http://www.newgatewatches.com) Exclusively for GQ readers use the voucher code GQAPR for a 20% discount until 1st July 2016. **3. The current Urban Jürgensen** Collection reflects the brand's devotion to Honouring Timeless Traditions in handcrafted elegant timepieces. Their aura of restrained excellence means their watches are appreciated by Collectors and Connoisseurs worldwide. The stunning new collection includes 5 new watches. Seamlessly blending an application of pure hand craft and style, they display all visual landmarks of distinction that can only be found in Urban Jürgensen timepieces, and are perfect for anyone who seeks the very finest things in life! Call +41323651526 or visit [www.urbanjurgensen.com](http://www.urbanjurgensen.com). **4. Laval** is the product of a futurist mindset. Laval pairs classic silhouettes, curated materials and intelligent design to shape the new future. The Swiss Chrono is an unconventional yet classic timepiece. Visit [www.lavalofficial.com](http://www.lavalofficial.com). **5. Greyhours** is crafting luxury timepieces using DLC coating technology and sapphire glass able to withstand day to day lives. No middlemen. Know your costs. Crafted to last. Very limited stock available. Visit [www.greyhours.com](http://www.greyhours.com). **6. DETOMASO's** brand new MAN'S MAN COLLECTION will make real men feel right at home – rough edges and all. The edgy MACHINEER with its precise automatic movement shows off its street cred with heavy-duty housing and rugged crown guard, hexagonal fittings and striking digits. The first seven models of the MAN'S MAN COLLECTION are available in the new DETOMASO online shop at [www.detomaso-watches.com](http://www.detomaso-watches.com). **7. ERROYL** – An innovative Australian watch company crafting affordable refined and elegant mechanical timepieces. With precise detail and high quality finishing, the "Regent Luna" is their latest model showcasing a triple date complication. Visit [www.erroyl.com](http://www.erroyl.com) for further information. **8.** Inspired by the local vernacular of Park Slope, Brooklyn, the **Carpenter Watches** Field draws its inspiration from its early 20th Century ancestors. Modest and utilitarian, all excessive ornamentation has been eliminated to optimize legibility. The case and lug design echoes the welded wire of early converted pocket watches. Visit [www.carpenterwatches.com](http://www.carpenterwatches.com). **9. Todd & Marlon** – luxury timepieces designed by Italians and crafted by Swiss exclusively for the Entrepreneurial Spirits. #YOURTIME is an exquisite time management machine with a 24 hour dial, Swiss movement, diamond-like coating and 100m (10 atm) water-resistant. Coming-soon at [www.toddandmarlon.com](http://www.toddandmarlon.com). **10. Plantwear** combine innovative design with woodwork to create beautiful wooden watches. They handcraft all their watches in their own workshops and use FSC (Forest Stewardship Council) approved wood. Featured is the Heritage Blue Edition Oak, one of 11 new designs released in 2016. Discover this and more at [www.plantwear.co.uk](http://www.plantwear.co.uk)
