THE REGENT COLLECTION

The Regent Collection is the second collection released by ERROYL and introduces a triple date complication to the selection of ERROYL timepieces.

The Regent Collection is available in three models:
Aurum, Luna and Nero.

In keeping with the refinement and finishing befitting an ERROYL timepiece, each Regent Collection model features a flat sapphire crystal, polished 316L stainless steel case and bezel, a Miyota Cal. 9122 automatic movement, 100m water resistance and a genuine Italian crazy horse leather strap with deployment clasp.

THE ERROYL STANDARD

Since launching in late 2014, ERROYL has quickly developed a reputation for designing refined and elegant timepieces.

With the Regent Collection, ERROYL has developed an eye catching collection offering a triple date complication that will keep you on time and dressed to impress.

Each timepiece in the Regent Collection is meticulously designed with the utmost attention to detail and is presented in a luxury wooden presentation box. With each timepiece featuring a two year manufacturer's warranty, you can be confident that your timepiece has been designed and assembled to the ERROYL standard.

MIYOTA CAL. 9122 MOVEMENT

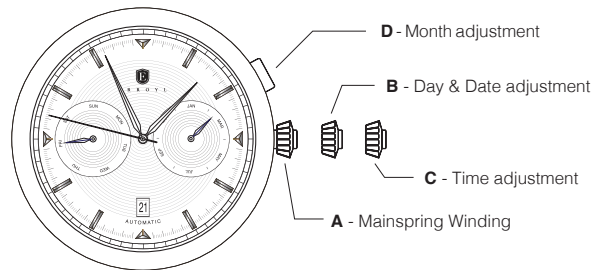

The Regent Collection is powered by the Japanese Miyota Cal. 9122 automatic and hand wound movement.

The Miyota Cal. 9122 features a triple calendar complication with day and month sub-dials and a date window at the six o'clock marker. With Miyota's reputation for developing high quality movements known for their reliability and accuracy, you can be confident that the movement at the heart of the Regent Collection will provide lasting confidence.

OPERATING INSTRUCTIONS

TIME & DATE ADJUSTMENTS

A) WINDING THE MAINSPRING

The watch can be manually wound by winding the crown clockwise while in the "A" position.

Wind your watch 15-20 times until the second hand starts to sweep naturally.

B) ADJUSTING THE DAY & DATE

Adjust the day - by winding the crown counter-clockwise while in the "B" position.

Adjust the date - by winding the crown clockwise while in the "B" position.

C) ADJUSTING THE TIME

While in the "C" position the crown can be wound clockwise or anti-clockwise to adjust the time.

D) ADJUSTING THE MONTH

The month can be adjusted by fully pressing the button at 'D'. *If the button is not pressed fully, the month may not correctly change.*

SHOWCASING ELEGANCE

High quality packaging is an essential element of the ERROYL customer experience.

Each timepiece in the Regent Collection is presented in a luxury wooden presentation box. With a leather cushion and internal leather lining, your timepiece will look as impressive in the presentation box as on your wrist. To complete the packaging experience, a Regent Collection booklet and Certificate of Authenticity is included with each model.
