

### Finding Your Perfect Fit: Sizing Your Stilo Helmet

At Stilo, we believe that optimal performance on the track starts with the perfect fit. Our commitment to precision engineering extends beyond cutting-edge technology and materials; it encompasses every aspect of the helmet, ensuring a snug and comfortable fit for every racer. Whether you're tackling tight corners or chasing the checkered flag, the right helmet fit can make all the difference in your performance and safety.

With a range of shell sizes meticulously designed to accommodate various head shapes and sizes, Stilo helmets offer a tailored fit that enhances both comfort and performance. From our flagship ST5 full-face helmets to the innovative Venti open-face models, each helmet is crafted with attention to detail, allowing drivers to focus on the thrill of the race without distractions or discomfort.

#### Some Things to Note:

Stilo prides itself on the perfect fit, to get the perfect fit we highly suggest visiting one of our authorized dealers to be fitted exactly your new helmet. For customers looking for a size to get started, Stilo helmets run traditionally a hair smaller than other sizes on the market.
