# The Vedas

The Vedas are the original sacred texts. Consisting of mantras that are deeply symbolic and powerfully evocative, they have always been somewhat challenging to decipher. The work of Sri Aurobindo has unlocked the secret of the Veda and allowed us to access this precious ancient wisdom.

## SECRET OF THE VEDA

By Sri Aurobindo

Sri Aurobindo breaks new ground in interpreting the ancient Vedas. His deeper insight into this came from his own spiritual practices for which he found vivid allegorical descriptions in the Vedas. The hidden meaning of the *Rig Veda* is revealed with numerous translations and commentary. Many have been perplexed by the reverence accorded to the Vedas when they read past commentaries or translations. Sri Aurobindo was able to uncover the mystery of the double meanings, the inner psychological and yogic significance and practices and the consistent, clear sense brought by this psychological view of the Vedic hymns. Finally, the true inner meaning of the Veda and its relevance to the seeking after self-realization and enlightenment is revealed. ISBN 0-914955-19-5 581 pp paperbound \$19.95

## WISDOM OF THE ANCIENT SEERS

By Dr. David Frawley

"The *Rig Veda* is not only one of the oldest sacred scriptures of the world, but also one of the most misunderstood. Past scholarship has dismissed the hymns of the *Rig Veda* as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers—powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book, ushering in a new and sounder tradition of Vedic interpretation and scholarship." Georg Feuerstein ISBN 0-910261-36-9 280 pp paperbound \$14.95
