

OUTDOORS KITCHENS & BARS

MODULR +
OUTDOOR KITCHENS

BENEFITS OF OUR KITCHENS

Enhance your outdoor kitchen with MODULR+. Designed for durability, our weather-resistant cabinets feature PVC Polymer construction, an anthracite grey finish, and corrosion-resistant TeraBlack hinges. The cabinet doors and drawer fronts combine compact laminate with a sleek black aluminium surround, offering both style and superior protection against the elements. Choose MODULR+ for a sophisticated and long-lasting outdoor cooking space.

AUSTRALIAN STANDARDS

When installing and positioning your Outdoor Kitchen, it is important to comply with State and Australian alfresco standards. This includes open ventilation and appropriate distance from combustible surfaces. Please refer to your selected BBQ product manual for more information.

DESIGN FEATURES

- Compact laminate doors with black aluminium frame
- Pre-Sised stone tops available in 4 trending colours
- Pre-assembled Modules, Easy DIY or fully installed
- Dimensions: 600mm D x 890mm H
- Pull Out Bins (sizes 400mm or 600mm)
- Appliances (or supply your own)
- Handle Options (or supply your own)

BBQ COMPATIBILITY

If you choose to use a BBQ from a different brand, please provide your details to the Outdoor Kitchens R Us Design Consultant. An Outdoor Kitchens expert will then contact you to offer a revised quote for your customised kitchen.

Please note: All service amenities, including plumbing and electrical work, must be handled by a licensed tradesperson. Do not attempt to complete this work yourself.

KITCHEN CABINETRY FEATURES & ACCESSORIES

Our cabinetry is specifically designed for outdoor environments, offering exceptional durability and performance. Built to endure the elements, it features waterproof construction and UV-resistant doors that won't fade for long-lasting quality.

BBQ's in two sizes and finishes

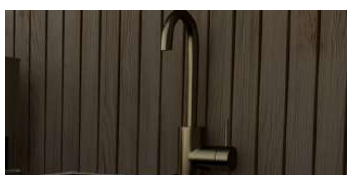

Standard Anthracite **Kick** or match to door for a completed cabinetry look

Convenient **pull-out bin** available with bin unit

Engineered stone benchtops

Trendy **mixer taps** in a variety sizes and colours

Stylish **900mm or 1200mm** canopy rangehood in two colour finishes

DELIVERY & INSTALLATION

Work with Outdoor Kitchens R Us to arrange and confirm your site delivery and assembly. We offer Australia-wide home driveway delivery (flat concrete driveway); pallets are 2400 x 1200mm. Weight varies depending on components. We can provide installation services in selected areas, or you can DIY. DIY supply of pre-assembled cabinetry and stone (pre-cut lengths only). The client is to organise custom stone cuts (sink and tap), cut-outs for vents (LPG Gas), and installation of handles. Installation quote upon request (includes custom stone cuts for sink and tap, cut-outs for vents (LPG Gas), and installation of handles).
