## General information

### When is a Certificate of Resale required?

Generally, a Certificate of Resale is required for proof that no tax is due on any sale that is made tax-free as a sale for resale. The purchaser, at the seller's request, must provide the information that is needed to complete this certificate.

### Who keeps the Certificate of Resale?

The seller must keep the certificate. We may request it as proof that no tax was due on the sale of the specified property.

**Do not** mail the certificate to us.

### Can other forms be used?

Yes. You can use other forms or statements in place of this certificate but whatever you use as proof that a sale was made for resale must contain

- the seller's name and address;
- the purchaser's name and address;
- a description of the property being purchased;
- a statement that the property is being purchased for resale;
- the purchaser's signature and date of signing; and
- either an Illinois account ID number, an Illinois resale number, or a certification of resale to an out-of-state purchaser.

**Note:** A purchase order signed by the purchaser may be used as a Certificate of Resale if it contains all of the above required information.

## When is a blanket certificate of resale used?

The purchaser may provide a blanket certificate of resale to any seller from whom all purchases made are sales for resale. A blanket certificate can also specify that a percentage of the purchases made from the identified seller will be for resale. In either instance, blanket certificates should be kept up-to-date. If a specified percentage changes, a new certificate should be provided. Otherwise, all certificates should be updated at least every three years.
