The flagship. If you only try one beer today, this is it. Just like it's namesake, our Yamba Ale is a laidback slice of paradise, but in a glass. Cracked corn gives the American style cream ale its smooth mouth feel, & the addition of Hallertau Tradition hops give off subtle floral aromas. It's like a holiday for your mouth.

## 'ROAD' ISLAND RED

Why did the chicken cross the 'Rhode'? To have a beer of course! Our 'Road' Island red is an Irish red ale made with Munich & Crystal malts & toasted barley, giving this brew its deep amber colour & toffee notes. East Kent Goldings hops are used, adding a slight honey type sweetness.

## DIRTY BIRD BROWN ALE
