PALE BANTAM SESSION ALE

\$7 \$12

At a mini 2.5% ABV, our Pale Bantam is true to its name. This super sessionable Pale Ale is made using Australian traditional ale malts, with a touch of crystal malts. Centennial & Citra hops are added, giving this brew its citrus notes. Our Pale Bantam displays a beautiful balance between malty undertones & hoppy goodness to round out a full flavour & mouthfeel that defies its low alcohol stature.

MOTHER CLUCKER MID

\$7.5 \$12.50

The perfect brew for when you want to down a few coldies, but keep it classy. The Mother Clucker Mid is a full flavoured lager, made with pale malts, flaked rice & Hallertau Tradition hops. The ideal beer for a long arvo session.

EAST COAST LAGER

\$8.5 \$13

Life can be complicated, so beer shouldn't be. The big brother of our Mother Clucker mid, the East Coast Lager is smooth & refreshing. Hallertau Aroma & Hallertau Tradition hops are added to pale malt & flaked rice, leaving you with a beautifully poised brew.

YAMBA ALE

\$8.5 \$13

The flagship. If you only try one beer today, this is it. Just like it's namesake, our Yamba Ale is a laidback slice of paradise, but in a glass. Cracked corn gives the American style cream ale its smooth mouth feel, & the addition of Hallertau Tradition hops give off subtle floral aromas. It's like a holiday for your mouth.

WOBBLY WEISS

\$8.7 \$13.5

Vibrant & refreshing, this German style wheat beer is perfect for those hot summer days. We use Pilsner & Munich malts, which give this brew its slightly cloudy appearance and sweet tropical flavours. Served with a slice of orange.

ON POINT PALE ALE

\$8.7 \$13.5

The approachable Pale as we like to call it. Our On Point Pale is a flawless combination of hoppy bitterness & malty sweetness. The addition of Amarillo Hops give this brew its fruity citrus aroma. The perfect beer after a long day in the surf.

STRONG ARM IPA

\$9 \$14.5

Make sure you stretch before this one. Our Strong Arm IPA is an Imperial pale ale, & it packs a punch! Super Pride, Cascade & Azacca hops give this brew its rich fruit aroma & perfectly balanced bitterness.

'ROAD' ISLAND RED

\$8.7 \$13.5

Why did the chicken cross the 'Rhode'? To have a beer of course! Our 'Road' Island red is an Irish red ale made with Munich & Crystal malts & toasted barley, giving this brew its deep amber colour & toffee notes. East Kent Goldings hops are used, adding a slight honey type sweetness.

DIRTY BIRD BROWN ALE

\$8.7 \$13.5

One for the dark beer lovers. Our dirty bird is a bit of a hybrid, an American style brown using traditional English ingredients. We use Crystal, Pale chocolate & brown malts in this bad boy, together with UK Fuggles hops, giving this brew its malty chocolate & toffee flavour, & a hint of smokiness.
