From this...

...to this

QuickStitch Embroidery Papers are new papers you can embroider on. They don't tear, are water resistant, and can be used in our acrylic items such as drinkware, compact mirrors, and keychains. Finished inserts can be cut with our die-cutters and punches or scissors. QuickStitch Embroidery Papers come in over 1000 designs and we're adding more each day. They are sold in 8.5" x 11" sheets with a small minimum of only 24 sheets that you can mix and match. Best of all, QuickStitch Embroidery Papers are only \$1.85 a sheet and ship within 24 hours.
