Vision

Fun. Fitness. Friendship.

As our name suggests, we are a growing cricket-loving community in the Greater Boston area. These are our core beliefs - to have fun, stay fit, make friends... and bond over fermented drinks. Most of our members are from the towns of Lexington, Arlington, Newton, Burlington etc. who strive to foster a friendly atmosphere and develop long-lasting connections.

Recreational T20 Format

We play with a light synthetic ball that has the same characteristic movement and spin as a proper cricket ball. Our games last 2-3 hours and adhere to the exciting T20 format that is easy for all skill levels to enjoy. Players require no special gear and do not need to purchase expensive equipment. Since we play on turf fields, no laborious field maintenance is required either.
