

LETTERCUT

CAPITAL LETTER TEMPLATE 8 inch Roman Serif

INSTRUCTIONS:

1. Print template pages at full size for accuracy.
2. Assemble template.
3. Tape the template in place.
Use a level to ensure your template is straight.
4. Predrill the screw holes - using house numbers as a guide.
5. Fasten with screws through the number and spacer.

Lining your letters up:

Solid lines on the top and sides of page mark the centers of the letters so you can easily align your letters vertically or horizontally. When you assemble your template - tape pages together so solid lines line up.

Heights vary slightly - Numbers and letters are all designed for visual appeal. A slight variation in number height and width is intentional.

Spacing your letters :

These dotted lines create even spacing of letters
Fold template on the dotted line and tape papers together so dotted lines match.
**These are guidelines. You are free to add or subtract space by adding or decreasing space between dotted lines so that it is visually pleasing to you.*

Suggested spacing between 8" tall letters:
For horizontal placement is 1.5 - 2" between letters.
For vertical placement - allow 1.5 - 2.5" between letters.
