## Slimline Wall/Ceiling Fan

Code: 8179

expella™  
**VENTILATION**  
SERIES

exclusive to Newtech

Expella's Slimline Wall Fan has a low profile, flat cover making the fan minimal and discreet. It is suitable for wall or ceiling mounting and is an effective exhaust solution for a variety of domestic and commercial applications.

### Warranty

- 2 years

### Applications and Installation

- Suitable for domestic or commercial single room applications including:
  - Bathrooms and powder rooms
  - Laundries
  - Portable buildings and classrooms
  - Small offices and meeting rooms
  - Utility rooms
- Fan can be wall or ceiling mounted, use in conjunction with an external grille
- Works with short lengths (up to 3 metres) of rigid or flexible duct (not included)
- Installation by an industry professional (electrician or air conditioning installer) is recommended

### Manufacturer

expella™

### Benefits

- Extracts 201m<sup>3</sup> per hour
- Slimline design with flat cover plate incorporating lateral air intake
- Quiet operation
- Supplied with back-draft shutters to prevent uncontrolled outside air coming into the bathroom
- Maintenance free
- Easy installation
