

Dear Mr and Mrs Magnus

My name is Aristawasti W. Baga. I'm 20 years old.

I'm from Southwest Sumba. My hobbies are playing badminton and listening the music. I have got 5 brothers and 2 sisters. I live with my parents. My father is a farmer and my mother is a weaver. My dreams are to be a rich person and travelling to the London in the UK.

I'm from SPA departement. I would like to learn SPA departement because it's about healing the body and beauty. I have got the knowledge and skill in doing Balinese massage treatment. I hope I can learn all of the treatments quickly.

My favorite moment at SHF is where I can make great relationship with my friends and I can wait a moment when we can have graduation.

Thank you for supporting us. I'm blessed and grateful  
God bless you

Sincerely
