# *Main Space Events*

*11am-5pm (Buyout)*

Thinking of hosting your event during our open hours? We've got options.

No problem at all — we're happy to accommodate! Events held between 11am-5pm are considered a shop buyout, and pricing reflects the cost of closing to the public for the day. Rates vary by guest count and day of the week, with weekends booked at a premium.

Want something more budget-friendly? We also offer partial buyouts, where half the store remains open to the public and the other half is reserved just for you — a perfect balance of intimate and accessible.

# *Deposit and Refund Policy*

Apostrophe Home requires a deposit to secure your booking.

Refunds of the deposit will be issued based on the following schedule\*:

- **Sixty Days Before Event:** Clients will receive a 100% refund of their deposit if the cancellation is made 60 days or more prior to the scheduled event date
- **Thirty Days Before Event:** Clients will receive a 50% refund of their deposit if the cancellation is made between 14-30 days prior to the scheduled event date minus our cancellation fee
- **Less Than 14 Days Before Event:** Deposits and any service fees are non-refundable for cancellations made less than 14 days prior to the scheduled event date

This policy ensures fairness while accounting for the time and resources required to prepare for your event.

\*If your event is canceled after we've discussed details and a design layout has been created and shared, a **\$100 cancellation fee will be deducted from your deposit.** This fee helps cover the time and creative work already dedicated to planning your event

# *Event Service and Coordination*

At its core, Comman Goods Events operate as a curated venue rental space. However, we understand that planning and hosting an event can come with many moving parts—which is why we offer additional services to help lighten your load.

If you'd like a little extra support during your event, we offer an **Event Support Service Fee of \$25/hr**, which covers basic onsite assistance such as greeting guests, answering venue-related questions, monitoring restrooms and trash, and helping with light day-of needs. This does not include food service, setup of third-party rentals, or concierge duties.

For events with more moving parts, our **Event Coordination Fee of \$150** covers anything on our end involving third-party vendors, layout design and planning, timeline support, and coordinating key details in advance to ensure a smooth event day.

Events booked at our base rental rate are considered self-managed and typically do not require a coordination fee.

We're here to help ensure your event is beautiful, seamless, and stress-free—whether you just need the space or a little extra support along the way.

# Event Insurance

We kindly require event insurance for any event held in our space.

Below are our recommended providers, as we believe they offer the most comprehensive coverage.

Of course, you're welcome to explore other options, but we find these to be the most reliable.
